How do I Enroll?

1. Please complete a *Member Enrollment* application. Instructions are provided on the back of the application.
2. Be sure to select a dental Provider Group from the list we have provided. Write the number of the Provider Group, dentist name, and city that you have selected on your *Member Enrollment* application. Also circle that Provider Group on the list and keep it to remind yourself which Provider Group you selected.
3. Under the Plan Selection section of the *Member Enrollment* application mark the box labeled - PacifiCare SignatureValue.
4. If you do not want dental coverage because you are currently covered under someone else's dental plan, please complete the *Refusal of Employee and/or Dependent Coverage* form instead.
5. Return the completed *Member Enrollment* application or *Refusal of Employee and/or Dependent Coverage* form to your benefits administrator. Keep this brochure for reference until you receive your PacifiCare Dental ID card, *Evidence of Coverage and Disclosure Form*, and *Principal Benefits and Coverages* policy booklets.

If you need to visit your dentist before you receive your ID card and booklets, call the phone number given for the dental office you circled. Tell them you have just enrolled in PacifiCare Dental, and that your eligibility can be confirmed by calling **PacifiCare Dental's Eligibility Line at 1-800-622-0161**.

Many benefit copayments, as well as major exclusions and limitations, are listed in this brochure. However, more detailed information is given in your *Evidence of Coverage and Disclosure Form* booklet, which you will receive in a few weeks. You should refer to this brochure only until your *Evidence of Coverage and Disclosure Form* booklet and *Principal Benefits and Coverages* policy booklets arrive.

If, upon your effective date, you are under treatment for an acute dental condition through a non-contracted dental provider, PacifiCare Dental will honor your claims, subject to the limitations and exclusions of your plan. Please contact Member Service for directions on continuing your care.

If you have any questions concerning your benefits, please call **PacifiCare Dental's Member Service department at 1-800-22-TEETH (1-800-228-3384)**.
